Dear Lord Roberts Community residents,

Hopefully, everyone is taking time to enjoy another warm fall season! The community centre is once again open for its fall programming and continues to host many year-round programs as well, so please come out and join in.

With fall's arrival, time commitments of some Board members have changed and as such, volunteer help is required by the Board to fill two newly vacant positions until the AGM in March of 2011. The House & Grounds Manager and the VP/Human Resources Manager are two important roles that the Board cannot be without as both positions supervise staff working for the community centre. Both roles can be considered by teams of volunteers (forming a committee) that would be represented by one individual and holding one vote at meetings of the Board. Anyone interested is urged to contact the community centre or a current Board member for further details.

The Board will soon be looking for new members to form the 2011-2012 Board at the upcoming AGM. On that note, we will soon need a new Treasurer, as our current Treasurer's family will be growing in the springtime. It would be ideal to have a candidate come forward now who could benefit from first-hand training, as this will not be available as readily after the AGM. It should be noted that a paid Bookkeeper is now supporting this very important role, so that the demanding work load is more fairly distributed for a volunteer Treasurer. If you have been thinking about joining, now is the time to attend meetings to find out what it is the Board does and how it all works. Please join us for meetings on the second Tuesday of each month at the community centre at 6:30pm, in the Boardroom. Members of the public are always welcome.

Sincerely,

LRCC Board of Directors

LR's 100th Anniversary Reunion

Did you know that Lord Roberts School will be 100 years old come 2011? It's true! To celebrate we are having a 100th year anniversary celebration, to which all alumni are invited.

We are in the initial planning stage now. Part of this stage involves getting "the word" out to all those who are, or have ever been students or staff of Lord Roberts School.

We need to get an idea of how many people will be attending. On our website <http://blogs.wsd1.org/lordroberts1/> you will find a registration form.

A Facebook group has been set up to co-ordinate the organization of this reunion. Feel free to browse this internet facility – <http://www.facebook.com/topic.php?uid=18879266840&topic=14161>

Spread the word! We look forward to making this a big, and exciting event for all attendees!

Lord Roberts Neighbors,

2010 continues to bring customers a healthy real estate market; good supply and good demand. Coming into the Fall of 2010 you can expect buyers to be keen and anxious to get a house yet there will not be as many buyers as seen in the 2010 Spring.

If you are a prospective house seller, you will still see the same prices as in past years. If you are a house buyer, you will get to see more homes, with less competition in certain price ranges.

The Lord Roberts area has seen # sales year to date compared to # in 2009. Interest rates continue to be fabulous. A \$100,000 mortgage at 5% over 25 year payment is just \$684.68!

Lord Roberts Residential Sales Activity

2009 Jan 1 - Oct 1; 42 Sales Ranged \$55,000 to \$320,000 first 2009 sale Jan 28th

2010 Jan 1 - Oct 1; 56 Sales Ranged \$83,000 to \$296,500 first 2010 sale Jan 11th

2010 Oct 7 there are 3 homes in Lord Roberts for sale

2010 Sept 1st to Oct 1st there were 4 sales; \$144,900 to \$204,685

A growing trend across North America and very visible in Lord Roberts are "In Hill" homes. Where a brand new home is built on the site of an existing home. Typically, these homes will range in value from \$250,000 to \$310,000. The City of Winnipeg provides occupants a significant tax rebate (see my web site or call me).

Not to be overlooked is the arrival of the rapid transit corridor along Argus. The Lord Roberts community will and already has enjoyed some significant housing demand increases due to this terrific transport route (see my website or call for PDF).

All in all Lord Roberts continues to thrive. Support your Community Club
