2020 Board Nomination Form

The Lord Roberts Community Centre (LRCC), and its programs, is governed by a volunteer (unpaid) board of directors elected at the Annual General Meeting (AGM) of its Members. The AGM is scheduled for March 30, 2020.

The elected positions are president, up to three vice-presidents, secretary, treasurer, canteen manager, and up to three members-at-large. The past president retains a seat on the board of director. Elections only occur for positions where there are more candidates for a position than there are positions available. Uncontested positions will be acclaimed.

This year the Board has decided to trial an online nomination form to make it easier for members to declare their interest prior to the AGM. Hard copies of the nominations form will be available at LRCC and can be submitted in the drop box on the executive office door.

In accordance with the Constitution which governs LRCC nominations for positions will still be accepted from the floor.
